

GO Teach: GPS Educator's Workshop

5.5 hours of ACT 48 Credit are available!

**9 a.m. to 3 p.m.
November 20, 2014
Nescopeck State Park**

GO Teach is a series of teacher workshops that focus on cross-curricular connections linked by a common outdoor recreation. This workshop presents a set of standards based lessons that enable middle and high school students to learn about global positioning system (GPS) technology and how to use it for healthy lifelong recreation. As a part of the workshop, teachers will receive lesson plans, ACT 48 hours and access to loaner equipment to help facilitate the lessons on their school grounds.

Registration is required, please call 570-403-2006. Please register by November 15. Cost: \$20.
